BUILDING SECURITY

Contact the Division of Office Services, Room 4330, extension 3111, to report thefts, suspicious persons, unauthorized solicitors, safety hazards, etc., between 8:15 a.m. and 4:45 p.m. workdays; contact Kastle Security Systems, 524-7911 at all other times. In all cases, immediate contact is important to the safety of you and all others and to resolve the emergency.

For your protection, corridor doors should be locked at 5:30 p.m. each workday and remain so until 8 a.m. the next workday. All stairwell and lobby doors will be locked from 6 p.m. to 7 a.m. and on weekends to deter unauthorized entrance to (but not exit from) the building.

The building garage is open and attended until 1:00 a.m. daily. The garage is not open on weekends or holidays.

HAZARDOUS WEATHER DISMISSAL

The Corporation's Personnel Director will be notified by the President's designee when early dismissal is to take effect during work hours due to hazardous weather conditions (or other city-wide emergencies). The Personnel Director will then notify the Executive Director and the Department Director of the dismissal schedule; directors will, inturn, notify their supervisors and employees.
